

News from Mrs. Hall

May 5, 2017

Dear Parents,

This is the last newsletter of the year. This is an exciting time, as the school year is winding down and the warm weather and sunshine are beckoning us to be outside, when it's not raining! Spring sports are in full swing as well (pun intended). Please help your child stay focused and engaged through the last 15 days of school. Work and study habits and behaviors are starting to slip but we need to push on to the end.

We completed the EOY (end of year) assessments for NWEA this week. I have watched your child learn and grow in so many areas as the year has progressed and I'm proud of their effort. Data from this assessment will be available soon.

Will be starting an end of the year writing project next week. Your child needs to bring in a picture of something he or she did this school year to write about. It could be from a trip, visit, holiday, or sport. We will compare how he/she has grown as a writer this year as we look back to their first writing activity of the year.

I will be retiring at the end of this school year. It has been my pleasure to be your child's second grade teacher and I have enjoyed spending the last year of my career with your child. I wish each and everyone of them all the best as they move on to third grade.

Sincerely,

Mrs. Hall ☺
