Dear Parents,

It is hard to believe that we are down to the last five weeks of school. Spring is in the air, but our second graders must remain focused and on task. We have **much to learn and accomplish** before the end of the school year as they prepare to be third graders.

The **Spring Book Fair** is next week. Remember there is no obligation to purchase items, but it is a fundraiser for our school library. There will not be an evening event. However, grandparents and friends can shop on Grandparents'/Special Friends' Day.

Grandparents'/Special Friends' Day is next Thursday, April 27th. The second grade time is from 8:50-9:45. A reservation flyer was sent home earlier. However, I didn't receive an RSVP from several students. I did send home a new flyer

with those students today. Please let me know how many guests your child may have as soon as possible so we can prepare accordingly. I am looking forward to meeting all of the special people on this day.

Your child just completed the Unit 5 Reading test. Please review and sign the record sheet and return to school on Monday. We will begin to review and prepare for our last NWEA test. Your child will take this end of the year test beginning the week of May 1st. I hope you had time to sit with your child and review his/her report card. Please contact me if you have any questions or concerns.

Next week, we have an important visitor coming to Eden. His name is Chris "Lights out Lytle." It should be a great learning experience for your child. Have a great weekend!
