

## Miss Greenwalt's Corner

Dear Parents,

I hope you all enjoyed your Thanksgiving Break. As we enter the busy season with Christmas approaching, we will continue working hard to finish out this semester strong.

We have a fundraiser this week. If your child donates \$2.00 to United Way, they are able to wear PJ's on Friday (December 1<sup>st</sup>).

We are collecting for Toys for Tots as well. Donations can be brought in through December 11<sup>th</sup>.

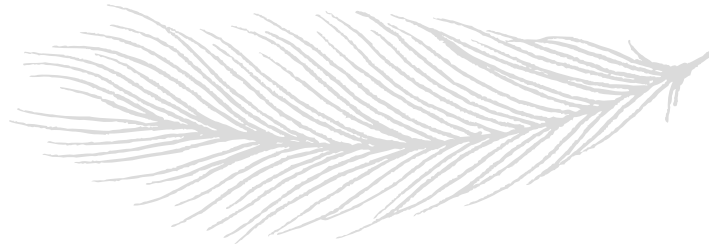

NWEA testing will begin next Monday, Tuesday, and Wednesday for 2<sup>nd</sup> grade. Please make sure your child is eating a healthy breakfast and getting a good night's rest in order to do their best on those days.

We will be covering measurement in class this week. It will be a fun time as we get to test out our measuring skills with classroom items as well as challenge items. We do not have a weekly test this week, but will be doing a fluency grade. I'm excited about our week and can't wait to get started!

Sincerely,

Miss Greenwalt
