Announcements:

* Book-It calendars for November are due tomorrow, **Dec. 5th**. Please turn those in and thank you for your participation!

* Eden Elementary is participating in Toys for Tots. If you are interested in donating a new/unwrapped toy, it can be put in the box outside the office by **Dec. 11th**. Thanks!

**Today we began our mid-year NWEA testing. Your child used an iPad to answer questions to assess his/her first grade Reading skills. Tomorrow we will continue with Math standards. Please encourage your child to do his/her best, as this information drives personalized instruction for the remainder of the school year. Accurate testing information will let us know what skills are mastered and what skills need more work.*
