Dear Parents,

Hello! Hopefully, we will have a little break from the winter weather. If we happen to have a delay, the cafeteria doesn't offer any breakfast. Also, your child won't be able to select a salad as an option for lunch. Your child will take their iPad home for an eLearning Day if our corporation suspects a closing. Our next scheduled eLearning Day is Wednesday, January 30th. You do have the option to send your child to school on this day.

On Tuesday, January 29th, Eden will host the Kids Talk body safety program. Indiana Senate Bill 355 requires all public schools in the state of Indiana to provide all children grades K-12 with child abuse education. If you DO NOT want your child present for the educational program, please let me or the front office know so we can provide you with an opt out form to sign.

Your child will not be present for the program if you sign the form and return it to the school. You may contact Mrs. Broadus, the school social worker, or Mrs. Hammons with any further questions.

We will celebrate the 100th day of school on Tuesday. Your child will be able to snack on some trail mix during our reading block. Thank you parents for providing some of the ingredients.

Attached to the newsletter you will find our class roster for Valentines. We have 22 students and some adult helpers.

Yearbook information was sent home last week. The cost is 15.00. Online orders can be placed at ybpay.lfetouch.com ID code - 12596719 Checks can be made out to Lifetouch. Orders are due March 22. Have a great week!
