Dear Parents,

Hello! We had a very busy week in the classroom. We did a lot of measuring in math. Students learned how to measure using yards and meters. Soon we will wrap up a unit in math. Students worked hard on an opinion writing. It was a lot of fun to listen to some of their favorite foods. Mrs. Greulich joined us from Maxwell to serve as the principal of Eden while Mrs. Hammons spends time with her newborn.

JB Stephens will be hosting STEM Night again this year. It is scheduled for May 16th from 5:30 to 7:30. Camp Invention is back this summer. It will be at JB Stephens Elementary School from July 15-19 for students entering K-6th grade. You can register at www.campinvention.org. If you are interested in helping, you can contact Amanda Bradford at abradford@gcsc.k12.in.us.

Please check Mrs. Greulich's weekly newsletter on Fridays for important schoolwide information. There are a lot of sign-up sheets for spring activities. baseball, softball, soccer, and swimming to name a few...

Yearbooks are on sale until March 22nd. You can send in your money with the order form that came home with your student. If you need a new order form please email our secretary Mrs. Richardson or call the office. You may also order your yearbooks online at YBPay.lifetouch.com. Use the yearbook ID code 12596719.

Have a great week! I look forward to working with your child. Thank you for sharing them with me.
