Dear Parents,

Hello! NWEA is almost a wrap. We will take the Language test on Monday. I am so proud of each child's effort to succeed on the reading and math portions. They worked hard to achieve their goals. I am pleased with the amount of growth and outcome of the class. Thank you for helping me on this journey.

We have a lot of fun/upcoming events to end the school year. Our field trip will be on Tuesday, May 14th. Your child should wear their Eden t-shirts and comfortable shoes. We will attend the Sports Legends area of the museum. Remember, your child will have a sack lunch from the cafeteria. It will automatically deduct from their account. The awards program is on Tuesday May 28th from 1-2. Your child has the opportunity to receive attendance, NWEA, and classroom rewards. I can only give three classroom awards on this day. Finally, we will have a Talent Show and Field Day on

the last day of school. The talent show is from 8:00-10:00 and Field Day will be in the afternoon. I do ask that your child stay focused on academics and behavior as we approach the remaining weeks. I know they are getting excited.

JB Stephens will be hosting STEM Night again this year. It is scheduled for May 16th from 5:30 to 7:30. Camp Invention is back this summer. It will be at JB Stephens Elementary School from July 15-19 for students entering K-6th grade. You can register at www.campinvention.org. If you are interested in helping, you can contact Amanda Bradford at abradford@gcsc.k12.in.us.

Have a wonderful week!
