Dear Parents,
Happy Labor Day! I hope you had an enjoyable holiday with your family. We had a great week of learning last week and anticipate another great week! We are starting a new unit in Math. There are a couple of weeks left in our Reading unit and we will be preparing for our 1st unit test. This week we will be discussing expository text. We will have a spelling test on Friday. We will not have a reading test this week. Students test once every two weeks. I am now able to enter some grades in the PowerSchool portal. Please give me this week to update some grades. Thank you for being patient with our technology.

Your child brought home a big yellow envelope for our school fundraiser. Back by popular demand, our school will participate in a direct donation fundraiser. This will be the only school fundraiser

we have this school year. It is optional. In the past, it has been very successful and helps our school in several ways. The classroom that raises the most money will have a pizza party. If individuals meet personal goals, stay tuned... Packets and Money will be due on September 11th.

Finally, please sign up for Parent/Teacher Conferences https://www.ptcfast.com/schools/Eden_Elementary_School_2 Once you register, you will get an email that will allow you to select a time slot. Please sign up before October 1st.

If you have any questions about upcoming events or things about our week, please let me know ☺
