Bart's Problem

Kim sat on the grass with her book.	8
"Will you help me pick corn?" asked Dad.	16
"Yes, I will help you do that," said Kim.	25
"It will rain soon," said Dad. "So we must be quick!"	34
"I can work fast," said Kim. "May I ride Bart to the field?"	36
"That is not a good idea," said Dad.	47
"But Bart is a fast horse," said Kim. "He is our best horse."	49
"I do not think that is wise," said Dad.	57
"But Bart can get me there before it rains," said Kim.	68
Dad smiled. "I do not think Bart will be a help," he said. "Bart has a bad habit. He likes to eat corn!"	70
"Oh!" said Kim. "I forgot about that!"	79
