Dear Parents,

Brr... It is getting chilly outside. Please make sure your child has the appropriate clothing for recess. A jacket is needed with our chilly temperatures. We do try to go outside if weather permits.

You will receive your child's unit 2 test score on Monday. I am very proud of their hard work on this computer test. Overall, I am seeing a lot of growth. We will end our nonfiction study and take a progress monitoring assessment on Friday. There will be a spelling test too. We are wrapping up another unit in math. We will review and take the test at the end of the week. It is going to be a full week of learning.

If your child is learning virtual at home, please have your child find their daily assignments in Google Classroom. I will post assignments for those in need

around 11:00 (my prep). I have showed each student how to use the pen tool on attached documents and submit the slide deck. Please let me know if you have any questions.

Please look for a Google sign-up sheet for our Thanksgiving Feast on Tuesday, November 24th. All donations will need to be at school by Monday, November 23rd so I can plan accordingly. The class has 10 marbles remaining. I hope they can get the last few before Thanksgiving Break.

Also, our school is running low on 8 ounce water bottles for children in need when they forget their water bottle at home. The office will gladly accept any donations.

We are close to Thanksgiving Break. I am very thankful that we have made it this far! Take Care!
